Dear Parents, Teachers, Pupils

How time flies. The first half of the term has come to an end and it has been an eventful one. From Class Assemblies to the Accolade Assembly, the Merit Assemblies and most recently, the Children’s Day Event.

Thank you for your support at all times and for constantly rising to the occasion to make our pupils happy and fulfilled in their learning. I want to say a special “Welcome to our new pupils and their parents. LoveWorld school is the place to be. To all our parents, your unflinching support of LoveWorld Schools and all that we do cannot be overemphasized and we are truly appreciative of all you do. Our Year 6 pupils sat for the Primary Cambridge Examination which was the first for LoveWorld Primary School. It was a beautiful experience. Their National Common Entrance Examination comes up this weekend and they are working hard, guided by their teachers; we are certain that they would excel.

Attached to this Newsletter is the School Schedule of events for the rest of the term. Please familiarize yourself with this schedule and do remember to check the school portal for half term reports for Primary classes. Thank you and enjoy your midterm holiday.

Olamitoyosi Babatunde (Mrs)
Head Teacher,
Nursery and Primary School

YEAR 6 CAMBRIDGE PRIMARY CHECKPOINT EXAM

For the first time in the history of Loveworld Schools, our Year 6 pupils sat for the Cambridge Primary Checkpoint examination. Loveworld Schools acquired the status of a Cambridge Centre in February 2021 hence our students were eligible to sit for the examination in our school hall. The examination comprised of three papers: English language, Mathematics and Science. We look forward to the most successful results.
**ROBOTICS & CODING**

The first half of the term has been super exciting for the pupils in terms of Robotics and Coding. The Key stage 1 pupils were able to build Robots and program it to do given tasks using Ubtech u-kits, while the Key stage 2 pupils were able to design games using the Scratch App. Pupils were also able to add features like jump, boost, speed boost, try again page, finish line etc, by writing codes in the Roblox Community.

**CO-CURRICULAR ACTIVITIES**

Children enjoyed a variety of activities during the first half of the term. Taekwondo and Ballet were re-introduced into our co-curricular activities for the term due to popular demand for these activities by the children. Pupils are to bring in the full kit/costume for these activities for maximum participation and ease of movement during practice. We encourage parents to make the kits/costumes available for our children and pack in bags every Tuesday.

The Music department also acquired a variety of new instruments this term to enrich learning in music. Instruments procured include: Yamaha PSR SX 600 and Yamaha PSR 1500 keyboards, Vintage Cello, Saxophones, Trumpets, Guitars, Clarinet, Trombone and Triangles. Children have the opportunity to develop skills in any of the above listed instruments.

**ONLINE TWINKL LEARNING RESOURCES**

Twinkl Go! is an all new digital platform that hosts interactive learning resources and educational content such as videos, games, audio books and more. Most exciting of all, Twinkl Go! enables digital content to be streamed to your computer or mobile device. This online learning platform has been deployed to boost our pupils’ learning experiences. Log in details and Pin codes for various subjects to access work assigned by teachers have been pasted in communication books. Scheduled learning materials will be sent home on Fridays for children to study concepts already taught in class as well as new concepts to be taught in subsequent weeks.

**INTRODUCTION OF ETIQUETTE INTO OUR CURRICULUM**

Etiquette was introduced into the school curriculum this term. Our Etiquette and Social Skills curriculum is designed for grooming and refinement of children into more respectful, kind, polite and considerate individuals, bearing in mind that character counts. It’s been fun working with the children on their manners, character, attitude and behaviour. We urge all parents to follow up duly and give feedback to school.
YEAR 6 CLASS ASSEMBLY ON LEADERSHIP

The assembly held on Friday, 7th May and was on the Year 6 theme for the term which is Leadership. The pupils showcased leadership in the Christian context, qualities of a great leader and principles of Christian leadership. They also differentiated characteristics of a great leader from that of a bossy leader. The assembly was wrapped up with a drama titled: The Bossy Boss. Lessons learnt by the audience included the fact that every leader must lead by example, practicing what they preach and also demonstrating integrity in words and actions. It was indeed a pleasant learning experience for all our pupils. We appreciate all our year 6 parents for attending the assembly.

ACCOLADE ASSEMBLY

The Easter Term Accolade Assembly held in the third week of this term. Pupils who distinguished themselves in academics and conduct in the Easter Term received accolades on Wednesday, 5th May. The recipients of the Accolade awards are the top 3 pupils in academics per year group and the top 3 pupils in conduct per year group. Some pupils have been very consistent and received the accolades for the fifth time in a row. Some new comers were also noticed on board receiving awards for the first time. Others were awarded for the second, third and fourth time and the cycle continues in the next academic session. At the house level, Blue house earned the highest points in academics and conduct and emerged winning house for Easter Term. We congratulate all our accolade award recipients and urge them to keep up the good work.

MERIT ASSEMBLY

The Merit Assemblies are conducted fortnightly to acknowledge pupils for their hard work and effort. Pupils looked forward to receiving their certificates in different areas of school life: Behaviour, Academics- Numeracy, Literacy, Science or Humanities. All our pupils are encouraged to put in their best at all times. Pupils deserve to be celebrated for their hard work and effort hence the cycle continues every fortnight to present merit awards to our children for their efforts in various areas.
ANTI-BULLYING/E-SAFETY DAY

The Anti bullying/E-Safety Assembly held on Friday, 14th May. The aim of the assembly was to remind the pupils on the school’s zero tolerance to bullying and how to stay safe on the internet. Pupils and teachers came to school dressed in Red T-Shirts on jeans; the red indicating 'STOP'. The Head teacher, Mrs. Babatunde began the assembly by educating the pupils on what bullying is and the different types of bullying including Cyber bullying. The ICT teacher, Mr. Paul took over the discussion thereafter to enlighten the pupils on how to stay safe while on the internet. Pupils were taught that while using the internet, they must ensure to:

1. **Zip it**: don’t divulge personal information about themselves to strangers.

2. **Block it**: block any site or friend that does not resonate with our Christian ethos.

3. **Flag it**: report any site or friend that promotes any form of bullying.

The children in different teams also had presentations; the Early Years pupils did a song reminding us that our school is a bully free zone. Pupils in Key Stage 1 presented facts about bullying and how to be a buddy instead of a bully. Lower Key Stage 2 pupils entertained the audience with a dance drama on bullying while the Upper Key Stage 2 pupils rounded off the assembly with a well-staged drama on how to overcome bullying; Know who you are.....You were created in God's image and likeness so do not allow people define who you are. The assembly was truly very enlightening and educative.

YEAR 5 CLASS ASSEMBLY ON SLAVE TRADE

The Year 5 pupils had presented an assembly on the theme - Slave Trade. It was an educative journey into the different forms of slavery, especially as it exists today, modern trends (domestic servitude) as well as relishing our freedom and kingship in Christ. It was indeed a time of introspection, fun and gratitude for the life and liberty we enjoy in Christ Jesus. Parents and pupil audience were thrilled to recitations, slide presentations, short video and a drama piece by the Year 5 pupils.
Children’s Day Celebration

It was all fun on Wednesday, 26th May as we celebrated the children.

The Nursery pupils had a lot of fun during their indoors games set up in the school hall. Children participated in various fun games including musical chairs, dance competitions, blind folding games and so much more. The fun continued at the bouncing castle session where all the children took turns to have fun in the 'castle'.

The primary pupils were not left out in the fun. They also had indoor games. The celebration started out with a 'Treasure Hunt' game and the Year 6 pupils won the game as they were the first to find the 'Treasure'. Right after that were presentations from the KS 1 and UKS 2 pupils.

The highlight of the celebration was the maiden edition of the LWS Primary Singing Competition where each year group (Years 1-6) had two representatives compete. The representatives took turns to present the song; Alpha and Omega' and were judged by their voice texture, Creativity, Stage presence, Harmony and melody (synergy between the team). At the end of the competition, Year 4 emerged 1st place with a total of 71 points, Year 2 and 3 ed in the 2nd place with a total of 53 points each while Year 1 took 3rd place with a total of 41 points.

The children also had a lot to eat and drink. Cakes, popcorn, drinks, and a special 'fried rice' meal were served to celebrate the special day.

YEAR 4 CLASS ASSEMBLY ON HEALTHY LIVING

On Friday, 28th May, the Year 4 pupils presented a Class Assembly on Healthy Living which was their theme for the term. The pupils researched on different reasons and benefits of maintaining a good health habit, ranging from exercise, balanced diet, smiling and sufficient sleep. The climax of the event was a short playlet by the pupils to further buttress, using scriptures, the importance of not just keeping the body fit, but also ensuring that the human spirit is aglow as admonished by our Man Of God, Pastor Chris Oyakhilome, DSc DD. The event was well attended by Year 4 parents, teachers and pupils in the primary school were also in attendance. Overall it was an exciting learning experience for all present.
Dear Families,

Thank you for a wonderful first half of Term 3! The term is galloping by so fast and 6 weeks is gone already. It was great to see many new faces join us and we hope to continue to welcome more students even into the coming academic year.

We are perfectly aware of the need to continue improving on our standards as we grow. Our dedicated, caring staff and teachers coupled with incredible students, who challenge themselves every day to learn and be engaged, will ensure the continuous rising academic achievements. We will not relent in working at our vision to keep on motivating and empowering our students to be lifelong learners, critical thinkers, godly intellectuals and productive members of an ever-changing global society.

I am grateful every day for the opportunity to work with all students, staff and you the parents, most especially. I am bold to say that we have supportive and engaging parents at the forefront. To this, we all say thank you. Please keep supporting our students to be outstanding in appearance. School uniforms and shoes, boys’ haircut and girls’ hairdo, total appearance must always be impeccable and sharp! Keep insisting on homework, self-organization and discipline.

Half term reports are available on the school portal. There was no midterm assessment for the Years 9, 11 and 12 students as they will be sitting mock examinations at the end of the term in BECE, IGCSE and WAEC respectively. I hope the conference with the teachers at the Academic Review Day was meaningful and we can build on the feedback. We welcome your concerns and questions any time and not just on the ARD. We sincerely appreciate the parents that attended the Parents Forum and Year 9 Options Day. It is through the efforts of teachers, parents, staff and students that we are making this school so exceptional. I wish everyone a restful mid-term break and I will see everyone in week 8!

Bewaji K.C  
Principal,  
Secondary School

---

**CO-CURRICULAR ACTIVITIES**

During the first half of the term, students participated in a variety of co-curricular activities including Badminton, Volleyball, Table tennis, Chess, Photography, Homemakers, Arts/Designs, Dance and Musical instruments. Football was re-introduced this term. We also introduced Coding into the Math and Tech club and Essential life skills for Boys into the Home makers club. This term, the female students in home makers club developed vocational skills in hair weaving.

Over in the boarding house, students also enjoyed an array of activities and competitions amongst the two teams namely: Loveworld Rangers and Loveworld Titans. Activities included: Debate, Dance, Bible challenge as well as Sporting events such as volleyball, Bowling & table tennis. Students also participated in the AISEN Music Instrumental Show-Off earlier in the term.

---

**YEAR 9 CAMBRIDGE SECONDARY CHECKPOINT EXAM**

On the 29th April, 2021, LoveWorld International School made history by conducting its first Checkpoint Examination on the school campus as a certified Cambridge school. Previously, students would have to take the examinations at the British Council in Ikoyi, Lagos. The examination was very smooth in its planning and preparation, the students were made aware of the dos and don’ts and the acceptable standard of Cambridge International Examination which the students are already familiar with. The examination lasted for 3 days and it was hugely successful. We look forward to conducting the Nov/Dec 2021 IGCSE Examination series on our campus as we are now a Cambridge Examination Center.
ACCOLADE ASSEMBLY

LoveWorld Schools Secondary Accolade Assembly held on Friday 7th day of May. Accolades were given to the top 3 students per year group in academics and conduct for the previous Easter Term. It was an unforgettable day for the awardees as they excitedly walked up the stage to the admiration of all present to receive their accolades. At the House level, Yellow house emerged winner with the highest number of points and were presented with a trophy for the outstanding achievement. The occasion was graced by the highly Esteemed Managing Director, Pastor Omoh Alabi and distinguished secondary school parents.

CAREER WEEK

The 2020/2021 career week which took place between Monday, April 26th, and Wednesday, April 28th, 2021; was an insightful event. It provided unequal answers in the mind of the students aspiring on best choices for future careers.

The likes of: Captain Remi Etta- pilot, Dr Mrs. Ikechukwu Amos- Medical Doctor, Mrs. Jessica Okoli- Entrepreneur, Mr. Lanre Latinwo- Architect, Mr. Peter Arikhan- Security Expert, Miss Opeyemi Egbeayo- Fashion Designer, Mr. Olagoke Orija- Technology Consultant, were the professionals who came to inspire the students on different professions and qualifications needed for these heights.

Students listened to their eloquent speeches, watched visual slides relevant to the presentations and were granted opportunities to ask questions. The professionals in turn quenched the daring thoughts of the students by providing adequate answers. The 5 day programme ended with new hopes and aspirations formed in the heart of the students. They were opened to what steps to take to enable them reach the professional heights with the correct guidance put in place.
YEAR 12 CLASS ASSEMBLY ON “AFRICA DAY”

The Year 12 students hosted their class assembly themed ‘Africa Day’ on Monday, 3rd of May 2021. The assembly gave great insight to the Africa Day which is celebrated all over the world on the 25th of May every year. The African history, the evolution of the African Union and how the day has contributed to making the voices of Africans louder on a global scale were the major focus at the presentation.

YEAR 9 COOKING EXPEDITION: Our year 9 students who happened to be the central focus of organizing the career week, confessed to have borne a new vision during the programme. Aside the career speeches delivered, they also had other side attractions added to their fun of learning during the week.

They were graced with the opportunity of preparing a sumptuous school lunch by themselves for themselves. The Home Economics teacher, Mrs. Innocent supervised the cooking of the delicious “Jollof spaghetti”, which was glazed with interesting ingredients. Many of the students were happy to have had first time opportunity of cooking this kind of meal by themselves. It was fun as the students learnt the cooking process. They also attested to the delicious taste.

YEAR 9 EXCURSION TO KULTURE YARD: The year 9 students also went on an excursion to Kulture Yard, Ikeja. This was organized as part of fun for them after their checkpoint examinations. There, they visited the gym, studio, lounge, they played different games in which some of them were opportune to play table tennis with Deacon Buchi; what a rare opportunity! The students also enjoyed delicious snacks to complete the learning fun.
YEARS 11 CLASS ASSEMBLY ON BIO-DIVERSITY
The year 11 class performed their class assembly in video form on the 14th of May 2021. It was a fun and interactive video that they used to explain fully on their topic biodiversity. They explained the importance and why we need it as humans. They also made us understand how we should keep the environment at peace. Their video, in which they stared in, was funny and everyone liked it. All in all, it was nicely done and a big kudos to the class, and definitely the effort they put in did not go to waste.

BOARDING HOUSE INFORMATION
The first half of the term was most fulfilling. At the weekends, the boarders were engaged with a series of activities including aerobics, games and sports competitions. During the public holiday, the Key Stage 3 boarders hosted the first ever Boarders’ Assembly. It was fun packed with singing, dancing and games. The biggest event for the term was the debate competition between the two teams Loveworld Titans and the Loveworld Power Rangers. The topic was: The development of artificial intelligence will help humanity. The Titans were proposing while the Power Rangers were opposing. It was a keenly contested debate. Also, this term, students also enjoyed the “Boarders walk” from the Boarding House to the school premises through the streets of the estate. On the Boarders spiritual growth, the morning and night devotions, bible club and cell meetings were very enriching. We wish our boarders a well deserved half term break and look forward to receiving them again on the 6th of June 2021.

PARENTS FORUM AND ACADEMIC REVIEW DAY/OPTIONS DAY
Friday, 28th of May was another memorable day at LoveWorld Schools. As usual, parents and guardians of students came to review their academic performance in the past half term. A Parents Forum was scheduled before the Academic review Day session. The Principal, Mr Bewaji introduced the School Consultant who presented the Schools’ Code of Conduct to parents highlighting that the purpose of the Code of Conduct was to describe minimum standards of conduct in all behaviour and decision making of all members of the school community (students, staff, parents and visitors) to ensure the safety and well-being of students. The Year 9 parents and students also participated in an Options Day session. They were taken through the subject selection process in preparation for Key stage 4. All events for the day were most successful as you could perceive the sense of satisfaction in the atmosphere especially during the academic progress review with teachers. We appreciate all the parents that came in.
2020/2021 PREFECTS SERVICE LEARNING/ CHILDREN'S DAY CELEBRATION

The 2020/2021 Prefects have proposed to aid the Adeniyi Jones Primary School, a public school nearby; with a tangible donation as their community service project to give back to society. To make this a reality, they held out a charity event on the 26th of May, 2021- LoveWorld Schools Children’s Day Celebration. The students also had a lot of fun with games, movies, mufti day and a variety of activities. Also, on the 28th of May, during the ARD they sold out home-made cuisine to parents, all to generate revenue for their project.

Staff Trainings

PATHS TO SCHOOL IMPROVEMENT TRAINING BY ACSI

The Third session of the Paths to School Improvement Training organized by ACSI (Association of Christian schools International) held at Sailor's Pride Schools in Port-Harcourt from Mon April 5 – Wed April 7. Our school was represented by Dcns Oge Odozor and Mrs Oluwatoyin Amos. The session focused on “Policies Development and Crisis Management”. It was an interactive session where various school policies that reflect biblical values and guide best practices were discussed and developed. Also discussed in detail was Crisis Management. Participants from other Christian schools across the country were present. The session lasted for three days.
DIFFERENTIATED LEARNING BY SCHOOL’S CONSULTANT

On Friday, 21st of May, 2021, teachers were taken through a very detailed training on “Diagnostic Analysis of Differentiated Learning”. The School’s education consultant, Mr Osebhi Okosodo, who was the facilitator took time to explain the concept to the teachers in two sessions. Teachers learned that pupils/students’ academic progress could be monitored using the diagnostic instrument introduced. It was indeed and enlightening session.

TEACHING STAFF CPD SESSIONS

The weekly staff CPD sessions were designed to sharpen teachers’ knowledge on several areas of the profession. Topics treated varied from leadership, Benefits of Technology in the Classroom, Scriptural Integration as foundation for Education, Freedom and Discipline in the classroom etc.

These trainings have in no doubt, made teaching and learning more engaging for the learners. We are confident that the outcomes will be evident as praise reports.

ADMIN/SUPPORT STAFF CPD SESSIONS

The Admin and Support staff CPD sessions have also been enlightening and enriching. Admin and Support staff were taken through different training sessions to help them improve on their work. Topics treated ranged from Safety and Management of Office equipment, Work ethics and administration and Customer Relationship Management.
Diary Dates:
- Monday, May 31 – Friday, June 4 - Midterm Break
- Tuesday, June 8 and Wednesday, June 9 - Progress Meeting / Parent Forum (Nursery & Primary)
- Monday, June 14 - Public Holiday (Democracy Day)
- Tuesday- Friday, June 15-18 - Literacy Week
- Thursday, June 24 - Year 6 Graduation Dinner
- Monday-Friday, July 5-9 - End Of Term Examinations
- Friday, July 16 - 8th Valedictory Service/ Prize-Giving
- Monday, August 2 - Friday, August 27 - Summer School

2021/2022 Academic session starts - Monday, September 13
