Welcome to the end of First Term. I want to appreciate you especially for your support and to let you know that like Oliver Twist, we would keep asking for more. More support with home learning tasks, more cooperation in all areas and more presence with the children.

It has been a great term rich in activities and learning. We started with our LoveWorld 10th Anniversary kick-off event at the beginning of Week 2. Still in that same Week 2, we held Meet the Teacher, then went on to have our National Day celebration in Week 3. Week 4 was World Teacher’s Day and it was quickly followed by the Half Term Assessment in Week 5. The last seven to eight weeks of the term witnessed events and activities like Prefects and SRC Induction; Taekwando invitational Competition as part of our Co-curricular activities; Christmas Cheers, Class Parties and the beautiful grand finale – our lovely, lovely Christmas Concert. We had a great turnout; the children put forth their very best. Thank you parents, members of staff and pupils for such a lovely event.

During the course of the term, we observed some infringements on our School’s Uniform policy. Though, we communicated with the concerned families as these incidences occurred, I would like to reiterate that there is a uniform policy at LoveWorld School and an important part of it is that children should come to school in the right uniforms. Black or grey socks is to be worn with the school uniform while white socks is to be worn with our sportswear. Coloured hair is NOT accepted for pupils. Woven hair is preferred. Braided hair with extensions should be short enough to be packed in a bun using a black hair band. Kindly refrain from encouraging disobedience to authority as it sets an example for them that does not help in future. Boys are expected to wear decent hairstyles without colours, boys’ hair should not be relaxed either. I implore us to make adequate plans to have the children’s hair neatly done in accordance with the school’s Uniform policy. Nails should be trimmed neatly and uniforms should look bright and well maintained. Dressing up for success is an important part of our children’s learning; join us to imbibe this from an early age.

Finally, children were not given homework packs this holiday being a short yet busy season. Nevertheless, reading and family time never grow old; do engage your children in regular reading exercises and spend quality time bonding with them. It builds them up in a lot of ways and it is a great help for you too.

Merry Christmas and have a great 2022.

Cheers.

Toyosi Babatunde (Mrs.)
Headteacher
LoveWorld Nursery and Primary School
MONTESSORRI ACTIVITIES IN NURSERY CLASSES
Our Child centered Montessori Practice has been very helpful in building and developing the children intellectually, encouraging them to collaborate, explore and think creatively and critically. Our teachers on the other hand, take the lead to ensure all ground rules are followed, they encourage children to perform tasks at their pace and also document their planned activities for each week to help track the progress of each child.

CO-CURRICULAR ACTIVITIES
Our Co-curricular activities for the term were very robust and engaging as we had all activities back on board to give broader choice to the pupils. We had activities like taekwondo, ballet, music, art & craft, soccer, debate, beading, reading etc. The children had access to one of these clubs and we had internal and external facilitators help with coaching and training of the pupils. Co-curricular activities this term ended on a good note and we had the children attend a Taekwondo competition where they won Silver and Bronze medals.

ROBOTICS & CODING
Coding was super exciting this term for the pupils. The Year 1 to 3 pupils were introduced to Bloxels Game Design and they built a simple game with Bloxels Game Design which they were able to play also. The Year 4 to 6 pupils worked on Machine Learning with Scratch. During the classes they were introduced to the concept of machine learning. The pupils were also taught how to use the online machine learning platform which is a web application needed to create projects. Their first project was A Smart Classroom, where they could control equipment in the classroom by using some text command. The pupils also created another project called “Make Me Happy”. This was a project that helped the machine to give the possible facial emotion whenever a speech is made to the machine, so the pupils were able to create 3 emoji faces for the machine; happy emoji face, sad emoji face and not sure emoji face when the machine does not understand the statement made.

NURSERY SPLISH SPLASH DAY
The splish splash day was both fun and educational for all our Nursery children. It was in line with the theme for the term which was “Water All Around Me”. With lots of water play activities that have a range of benefits for the growth and development of a child such as improved motor skills, hand eye coordination, sensory exploration, concentration & focus, social & communication skills and lots more.
PROGRESS MEETING

Progress Meetings for the term held on Tuesday and Wednesday, November 2 and 3. It was well-attended and the parents had the opportunity to meet with their children’s teachers and discuss their progress and ways to further improve. Individual targets were also set for children and follow-up plans to ensure consistent growth in all areas of the curriculum and wider curriculum.

MERIT ASSEMBLY

The Christmas term started on a fantastic note with all the children being on their best in all areas. The Merit Assemblies held every forth night Wednesday and 48 children representing the various classes are celebrated on each occasion. The Merit award is received for displaying a positive attitude, excellent work, behaviour, progress or exceptional achievement. Congratulations to all our children who received these awards during the course of the term.

PREFECTS & SRC INDUCTION

As a tradition in Loveworld Schools, the Year 6 pupils are given the privilege to lead the school community at their level. The 2021/2022 prefects were inducted into the different leadership positions and took the oath of office, pledging to uphold the ethos of the school. The ceremony held on 20th November, 2021. It was a memorable time for the pupils as they were all decorated with the designated badges. Members of the Students Representative Council were also inducted during the ceremony. With representatives from each class constituting the SRC, both arms of student leadership are charged with the responsibility of leadership of other pupils throughout the academic year.
CHRISTMAS CONCERT

The 2021 Christmas concert was an epoch making event. The pupils had different activities for the entertainment and education of both parents and children.

Our Early Years pupils presented Christmas songs and an acronym for the word "CHRISTMAS". Our Key Stage One pupils presented the Nativity play where the pupils brought to the reminder of us all, The Salvation Story. Our Lower Key Stage Two pupils presented an intriguing Edo dance as well as a Bata Dance. The pupils gracefully and skillfully danced to the several rhythmic movements to the delight of parents and guests. The climax of presentations was the Upper Key Stage Two pupils who showcased a drama depicting the real essence of Christmas. The Christmas carols sung by all and the prayers offered during the event were a tremendous blessing for the entire LoveWorld School Family. The event will be relished for a long time as it was thoroughly enjoyed by all.

CHRISTMAS CHEER PROJECT

The project is an outreach of Loveworld School Children to Orphanages and holds every Christmas. The newly inducted Prefects and Members of the Student Representative Council executed the project. They stood out every morning collecting gift items from parents. The gifts were well packaged for onward transmission to a chosen orphanage and on the Monday 13th December, the Year 6 pupils represented the school at Optimal Children’s Home and donated loads of items like foodstuff, toiletries, snacks, school bags, books etc. to the home.

The social worker briefed the children on how children come to the orphanage after which there was a question and answer session. It was a beautiful learning experience for the children. The visit ended with prayers for the children at the orphanage after which the assistant Head Girl Casey Eguakhide gave the vote of thanks.
Dear Parents and LoveWorld School family,

We arrive at the end of the Christmas Term of 2021/2022 academic session, having had one of the longest terms in many years. I am sure children, teachers and parents alike are ready for a well-deserved holiday.

I was absolutely delighted to have welcomed back all our returning students as well as new students at the beginning term. As we end this Christmas Term, I extend my thanks for everyone's support. I am proud of the way we all worked together with the parents and staff to achieve all that we achieved. It all went very smoothly, due to everyone’s hard work and attention to detail.

We have made great strides, both in conduct and learning. Our routines were well established and all students settled into schooling perfectly. Our priorities have been the well-being of all and getting down to identifying the status of learning. The students have developed fantastic attitude and eagerness to learn.

During the course of the Christmas Term, we witnessed the substantial development of our academics with the Year 12s completing their IGCSE examinations. Timelines are set and much work is ongoing in preparation for their WASSCE and UTME (JAMB). Similarly, preparation for the Year 9 Checkpoint and the Year 11 IGCSE would be in top gear from the start of Term 2. The coming Easter term will no doubt be examination focused.

We are delighted about our status as a Cambridge examination Centre, The IGCSE examination was held on our school grounds. This disallowed us to hold our scheduled forum with new parents and our usual ARD (Parents Teachers conference). However, lines of communication were active throughout the term and we were able to answer questions and speak to parents about their concerns and observations. The forum and ARD are very essential and we will create room for them in Term 2.

Thank you all for your many contributions to the school this term. I wish you a restful Christmas holiday and a happy new year in advance, just before we begin again in a couple of weeks.

Yours sincerely

K. C Bewaji
Principal
CO-CURRICULAR ACTIVITIES

Co-curricular activities this term was both interesting and challenging for our students. Affording students the opportunity to explore new endeavours and consider new challenges. We incorporated Coding fully as part of our co-curricular activities thus helping students to become more critical and creative in thinking and lots more. All other activities were engaging and rewarding as well. Our football and volleyball clubs are at the selection peak to get students to enlist for the new school teams. On the other hand, our taekwondo club participated in Kiddies Taekwondo Festival and returned with several medals. The drama and dance clubs worked hard at their stage performances.

4TH GRADUATION CEREMONY

The LoveWorld International College 4th graduation ceremony which held on Tuesday 12th of October was a landmark event for the graduating students and also a great opportunity for parents, staff and students of the loveWorld family to celebrate the pride of graduation and appreciate the achievements and memories of the graduating students. The event featured several performances from the students, a time of prayer for the students, the presentation of graduands, the awards and prize giving segments which includes student awards, effort awards, special wards and lots more.

Some notable awards received would include; The 2021 Valedictorian – Treasure Amos, Chairman’s award for leadership – Michelle Oisaghie, Wider curriculum award – Rotimi Shobayo, Conduct Award– Ayomide Okeowo, Dux Scholar Award – Treasure Amos.

We thank God for the success of the graduation ceremony of the Class of 2021 and specially congratulate our graduating students for excelling throughout their stay at LoveWorld International School.
The 2021 Graduation dinner was another level of fun for the graduating students. After a successful graduation ceremony earlier in the day, the graduands, their families and some members of staff had a nice time dining together at Protea Hotel where they bonded, shared beautiful memories about their journey in Loveworld School and took beautiful pictures. The occasion was a nicely organized buffet with a lot to eat and drink.

The manifestoes and prefect election of LoveWorld International college were held in the first half of the term. Year 11 students picked up the nomination forms and the Nominated prefects were screened and interviewed. The intending prefects delivered carefully prepared and well structured manifestoes stating to the audience their goals and plans if elected.

The Prefects and SRC Induction ceremony was conducted in the school hall with parents and guests invited. Students were inducted into the various leadership positions and they all took the oath of office. Members of the Student Representative Council were also inducted into office. All student leaders were charged with the responsibility of leading the student body and supporting the school management. The Esteemed Managing Director –Pastor Omoh Alabi graced the occasion and prayed earnestly for the newly elected school leaders as they took up their new roles.
INDEPENDENCE DAY - COMMUNITY SERVICE

The Independence Day community service was an essential way for our boarding students to make an impact in our community by ensuring our host community- The Akora Villa community was cleaned on this occasion. They rallied round the estates picking up dirt and cleaning the environment. The exercise was to commemorate the 61st Independence of our nation and contribute to Nation building.

BOARDING HOUSE INFORMATION

Boarding life at LoveWorld School is an interesting experience. It is a place where students learn to be independent and properly take care of themselves and their belongings. All the students interact respectfully well. We operate a zero level tolerance to bullying of any kind. The students and the house parents live as one big family.

The boys’ hostel moved to a new facility at the beginning of the term and is now a street away from the girls’ hostel. Hostel routines are followed to the latter. Students have a little morning chore of tidying up their rooms which is rotational. Our environmental assistants ensure that all surroundings are clean and sanitized at all times. We ensure that the students are well fed through planned meals. Students are also provided with snacks and fruits. Our boarders always look forward to Saturdays as they do aerobics and other sporting activities in the mornings. A registered nurse is resident in the hostel that takes care of all health matters.

For spiritual nourishment, students observe devotion time each morning and are taken to Church every Sunday. They participate in Monthly Global Communion services with our Man of God on the first Sunday of every month. Students also attend their cell meetings every Sunday evening between 5:00pm to 6:00pm. Our students’ are also been groomed to become responsible leaders. Our leadership academy classes hold every Saturday evening.
FAMILY VISITING DAY

The family visiting days which held on the 2nd and 3rd of October were simply phenomenal. Parents journeyed up to school to visit their children and spend some quality time bonding, eating, drinking and catching up with their school work and boarding experience. There was so much joy in the air as both parents and students expressed it lavishly.

BARBIQUE AND MOVIE NIGHT

The boarders rounded up the term with a special Barbeque and Movie night featuring the 5th Avenue Movie. It was a time to unwind after the end of term activities. Outdoor and indoor games, talent show were part of the activities for the night. It was indeed an enjoyable time for all boarders.

CHRISTMAS SERVICE

The 2021 Christmas Service took place on the last day of term, Friday 17th of December. It was a pleasant way to end the 14-week long term. A good number of parents turned up and some of our ex-students were also present to celebrate the yuletide season with the school. As a tradition, students participate at house level for the event. All four houses showcased Carol songs in contemporary as well as in local dialects, Scripture recitations on prophecies and bible verses about the Messiah, Spoken word renditions on “The Rapture of the Church” and A Dance challenge. The entire congregation also sang Christmas carols and prayers were offered for the entire school and the nation by our Esteemed Chairman – Pastor Afolabi Oketunji who graced the occasion.
GENERAL INFORMATION

10TH ANNIVERSARY ASSEMBLY

The 10th year anniversary celebration held on Monday 20th September 2021. We started off with an inspiring prayer session followed with a praise and worship session which was followed by a speech by the School Administrator - Pastor Anita Aguele.

Testimonials from our pioneer parents who graced the occasion followed by the cutting of Anniversary Cake with the alumni students present and the release of 10 Helium balloons to represent the years were some of the highlights of the event. The special day culminated in a friendly football match between the alumni students and the current students. It was indeed a wonderful event. The 10th Anniversary celebration continues throughout this school year and some of the activities to look forward include the 10th Anniversary Brand Shop and the 10th Anniversary Magazine. We look forward to parents participation.

NATIONAL DAY CELEBRATION

The auspicious celebration of our Nation’s Independence was celebrated in a most remarkable and colourful way as pupils and staff members were beautifully dressed in different traditional attires to showcase our rich cultural heritage. Foods from our geopolitical zones were displayed.

The grand finale was the fashion parade by the most fashionable pupils representing their tribes and also the cutting of the cake by pupils born on October 1st with other pupils from each year group.

The memory will be relished by the pupils for a long time.
GLOBAL DAY OF PRAYER

The Global Day of Prayer with our Man of God, Rev. Dr. Chris Oyakhilome held on Friday Dec 3 and Saturday Dec 4. A prayer schedule was developed and all staff and children at LoveWorld school participated in the prayers. It was indeed a refreshing time in the presence of God as prayers were made for the nations of the world and we all had a glorious time of worship.
END OF YEAR THANKSGIVING

The End of Year Thanksgiving service was superlative. It held on Monday 13th of December. It was a time of celebration and thanksgiving as all staff and students with parents online offered thanks to God for the year 2021. Prayers were offered, an exhortation on Thanksgiving and opportunity to bring special offerings to God were some of the highlights of the service. Testimonies were read and every class rejoiced and danced giving glory to God for all He had done in the year 2021. We thank our parents for their support of all our endeavours throughout the year.

Some Staff members also had the opportunity to join the Global Loveworld Staff at the Annual Thanksgiving which held on the same day. We counted our blessings and named them one by one as we represented the entire Loveworld School Family at the event.

IPPC 2021 EXHIBITION

The 2021 IPPC (International Pastors and Partners Conference) Exhibition held from Wednesday 17th to Tuesday 23rd of November 2021. Loveworld Schools was present at the Exhibition and showcased our achievements throughout the Ministry year to Pastors and Partners who were delegates at the Conference. We welcomed over 1000 visitors from different countries at our beautifully set up exhibition stand. It was an exciting experience for us a school as our brand grows stronger within and outside the Ministry.
